Lot Ghann N 29 Oued Ghnim, Sousse, Tunisia

SUMMARY

Results-driven Full Stack Developer with **4 years of experience** in Production environments. I specialise in the **JavaScript/TypeScript** ecosystem (**React, Next.js**) for the front-end and (**Node.js, NestJS**) for the backend. Demonstrated success in optimising application performance and delivering exceptional user experiences. Passionate about clean code and staying current with emerging technologies.
